

## OFDNA Board Meeting February 14, 2013

### OFDNA presentation on Reed Market Road/SE 15<sup>th</sup> Street

- Nick Arnis presented on the project and provided an overview of a February 14, 2013 memorandum that was distributed to the team.
- Primary concerns raised by the neighborhood included the NB LT lane length, the pedestrian crossings, emergency response, and train-related congestion.
- Consultant team will review the length of the NB LT lane and provide feedback
