

May 9th, 2013 OFDNA Board meeting, Bend Senior Center.

Quorum was established.

During the call for public input, discussion centered on the success of the General Membership Meeting held in April. Congratulations were given to Kent and James for being re-elected for another term on the Board of Directors.

Board approved the minutes for the April board meeting as well as the minutes for the General Membership Meeting.

Treasurers report not available.

Kent discussed the insurance options for the neighborhood associations. He is hoping NART will make a decision next month.

Kent reported that TSAC is working on final approval of CSR's for neighborhood association action.

At the General Membership Meeting there was considerable discussion about the impact of construction concerning the roundabout at 15th and Reed Market St. OFDNA board of directors will continue to engage with City of Bend staff concerning our difficulties with the design.

Re-zone for the Ditz property will come before a hearings officer, and Henry will attend the meeting.

The Board of Directors for OFDNA is following closely the new development scheduled for S.E. Bend.

Directors hope to develop an action list for possible SDC moneys in our neighborhood for presentation to the City Council.

Next Board meeting is 6-13-2013.
