

An Old Farm Neighborhood Association Board Meeting was held February 10, 2014 at 6 pm at the Senior Center in Bend OR.

Those present were: Jim Griffith, Joe Bessman, Kent Garliepp, James Dorofi

Minutes were approved.

Jim Griffith was elected secretary.

NART update – Website should be brought up to date and all minutes are to be shown on the website. Website is open to the public.

TSAC – Kent spoke about pedestrian and bike signals at the roundabout at 15th and Reed Market Rd. Various ways of signals are being discussed by the city. James suggested we should have a way to show people how the roundabout will work for pedestrians and bicycles. Since the city has not done outreach or plans on outreach to the community, it would be up to the OFNA. James attended a meeting that showed the scale of the roundabout. It appears to be quite a large roundabout. The city has taken the board's suggestions for making the lanes wider. It appears that the entrance to Expressway on 15th St, closest to the intersection of 15th St and Reed Market Rd will be closed. Across from the new Expressway main entrance on 15th St there will be a new road giving access to the Senior Center..

Kent suggested some kind of traffic control at Wilson & 15th Stl such as stop sign or person control. The city was not interested in this suggestion.

Kent said the website needs some cosmetic adjustments. Board members are to look at the website and make suggestions to Kent.

Train noise update. There was nothing new to report.

Kent sent a list priority projects for SDC.

James met with Parks & Recreation in the fall and is scheduled to meet again on 2-21-14 at 10 am with Parks and Recreation to discuss trail system to the Deschutes River from 27th St.

There was discussion about Brosterhouse upgrades to meet standards for bike lines and sidewalks.

Kent will furnish James a map of a park near a church on Brosterhouse so he can take it to his meeting with Parks and Recreation.

Next board meeting 3-10-14 at 6 pm at the Senior Center.

TSAC meetings are 3-18-14, 6-17-14, and 9-16-14.

The next general meeting will be in April 2014.

Meeting adjourned at 7 pm.
