

OLD FARM DISTRICT NEIGHBORHOOD ASSOCIATION

BOARD MEETING

9TH June, 2011

BEND SENIOR CENTER

Board Members in Attendance:

Sandra Turek - Chair
James Dorofi - Secretary
Kent Garliepp - Member at Large
Gail Klein - Member at Large
Jim Griffith - Member at Large

6:00 PM

Quorum present, meeting called to order by Sandra Turek

Approval of minutes: Minutes from 12th May 2001 unanimously approved

6:03 PM

OLD BUSINESS

A: Railroad noise – No new information

B: Mediation - Sandra Turek was contacted by Central Oregon Mediation in regards to Mr. William Dolf's on going complaints. William Dolf has denied mediation believing "they cannot mediate a criminal issue" and stated his future plans are to file a complaint with the Attorney General. They apologized for taking so long but said they were trying to get William Dolf to agree to mediation.

C: Budget verification: Rent to Senior Center \$350.00, \$50.00 Larkspur Festival
\$9.00 Balance

Budget will be recorded in future Board Meeting minutes for 2011-2012
Fiscal year.

6:22 PM

NEW BUSINESS

A: NART Update - Cheryl Howard discussed the upcoming "Let's Pull Together" on June 11. The new generic NA brochures were distributed. Representatives from the City will attend the July meeting to discuss the NA's independence from the City Council.

B: The Board made a unanimous vote installing James Dorofi as the Board Secretary/ Treasurer.

C: James Dorofi recommended Jim Griffith become a full Board Member. Board unanimously votes installing Jim Griffith to the Old Farm Neighborhood District Association. Jim will serve the remaining time of Keith's term which will expire October 31, 2011.

D: Traffic Safety Advisory Committee- Joe's report

. Discussion points:

No parking signs on Mt Washington (City installed one but were supposed to install two...)

- Speed studies being conducted by the police around town, focused on arterial/collector roadways (locations can be added by CSR)

- Some discussion of the pedestrian crossing treatments on the Parkway (second system to be installed in June, some delays due to sign brackets)

- GO Bond discussion deferred (day of election and results were unknown)

- Striping work will commence shortly now that the weather is improved, City crews had started using their paint truck.

Railroad quiet zones: this was actually pretty interesting- I believe it was the SE Bend NA trying to get a quiet zone established for their crossing only (I believe Country Club was the one that most impacted them), considering a Local Improvement District as a way to fund this.

E: Parks and Recreation Meeting

Sandra Turek and Nan Loveland attended a Park and Recreation meeting which discussed the Department's budget and future projects. The creation of a 2-3 acre City of Bend Park at the former location of the Bend Trap Club is being considered as a possible park location due to the fact that the OFD is currently under represented by the park system.

F: Generic Bend Neighborhood Association flyers and Bend City Code Violation Hangers were handed out courtesy of Sandra Turek. (see attachment).

G: Kent Garliepp brought up the possibility of having the City present the Bend 101 Class. Bend 101 consists of 5, 1 hour educational modules to help citizens understand how the City of Bend operates. OFDNA is considering the creation of a

survey to determine if the residents would be interested in the class, more information to follow.

H: The possible merger of the Southeast Neighborhood Association with the OFDNA was discussed. The board decided to invite Harold Anderson to the next meeting on 14th July 2011 to further discuss the matter.

NEXT MEETING

14th July 2011, 6:00PM Bend Senior Center

6:56 PM Meeting Adjourned
